THE MARBLE BIBLE.

In 1857 Mindon-min, king of Burma, erected a monument near Mandalay called the Kutho-daw. There he built 700 temples, in each of which there is a slab of white marble. Upon these 700 slabs is engraved the whole of the Buddhist Bible, a vast literature in itself, equal to about six copies of the Holy Scriptures. This marble Bible is engraved in the Pali language thought to be that spoken by Buddha himself 500 B. C.

ONLY HEALTHY ANIMALS PAY

Purewater only should be allotted to the hogs. Do not think that the hog will eat anything and it will be best for him. Clean food and drink are better and more profitable for any animal. Healthy animals only are profitable in this age.—E. J. Water-stripe, in Swine.
